Whereas very many Persons from all Parts of this Kingdom, who were stone Blind thro' Obstructions of the Optick Nerves, do assert the marvellous Effects of Dr. Clark's Ophthalmick Secret, which they have to their Comforts found (after all other means fail'd) it opens not only those Passages of the visive Faculty, thereby giving free liberty to the Animal Spirit, but it also infallibly dissolves Sufusions, the Seed of Cataracts, and takes away the seeming appearance of Atoms, Motes, Flies, Gnats, Sparks, Mists, Clouds, Cobwebs from before the Eyes, Symptoms of Growing Blindness, if not timely prevented. Its rare clarifying Vertues daily appears by most remarkable Cures on the Blind and Defective in sight, as any one may be fully satisfied in by the Names and Places of their Abode, at his House in Old Southamton-Buildings near Chancery-Lane, Holbozne, a Golden Head being over his Door.
